Woke up early this mornin'
Made my coffee like I always do
Then it hit me from nowhere
Everything I feel about me and you

The way you kiss me crazy
Baby, you're so amazing

Seven days and seven nights of thunder
The water's rising and I'm slipping under
I think I fell in love with the 8th world wonder
Yeah, yeah, yeah

I guess that I'm just fallin'
Deeper into somethin' I've never known, yeah
But the way that I'm feelin'
Makes me realize that it can't be wrong

Your love's like a summer rain
Washing my doubts away

Seven days and seven nights of thunder
The water's rising and I'm slipping under
I think I fell in love with the 8th world wonder
Yeah, yeah, yeah

It's only been a week
But it's coming over me
It's makin' me believe that
You're the one for me

Yeah, yeah
Oh, oh, ooh
Oh, oh
Yeah...

Seven days and seven nights of thunder
The water's rising and I'm slipping under
I think I fell in love with the 8th world wonder
Yeah, yeah, yeah

Seven days and seven nights of thunder
The water's rising and I'm slipping under
I think I fell in love with the 8th world wonder
Yeah, yeah, yeah

Seven days and seven nights of thunder
The water's rising and I'm slipping under
I think I fell in love with the 8th world wonder

Hey, yeah
Hey
Oh, whoa...
Yeah
