Oh, yeah

Somewhere over the rainbow
Way up high
There is a land that I heard of
Once in a lullaby

Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

Someday I wish upon a star
(Someday I wish upon a star)
And wake up where the clouds are far behind me
(Where the clouds are far, far, far behind me)

Where all troubles melt like lemon drops
(All my troubles melt like lemon drops)
Way above the chimney tops
(Way above the chimney tops)
That is where you will find me

Somewhere over the rainbow
Bluebirds fly
If birds can fly over, over the rainbow
Then why, then why can't I?

(Birds fly high, why can't I?)
If birds fly high, why can't I?)
(Oh why, oh why, oh why, oh)
If every little bluebirds fly
(If every bird fly over the rainbow)
If birds fly high, why can't I?
(Somebody tell me why, somebody tell me)
Why can't I?
