Just call me supawoman
Cause there's nothing that I can't do
I'm looking for a man of steel and it might be you
Just call me supawoman
Are you ready for who I am?
I'm strong and undefeated and I'm looking for that
kind of man
Your supawoman.

I met a lot of guys
Who looked into my eyes
And told me they could handle everything I had inside
But as the time went by
I see they didn't have a clue
Till the day that I met-
You walked into my life
And then you took control
I couldn't help myself
I wanted you - I let it go
I had to let you in to see if what I saw in you was true
I need to spend some time with you
So tell me baby if you're cool to be
With someone who's as real as me

Just call me supawoman
Cause there's nothing that I can't do
I'm looking for a man of steel and it might be you
Just call me supawoman
Are you ready for who I am?
I'm strong and undefeated and I'm looking for that
kind of man
Your supawoman.

I say what's on my mind
I never hold it back
I call it how it is
Tell me baby can you deal with that?
I promise if you can
You're gunna be a happy man
And I could be the one to rub your back at night
And cook your dinner too
And when you got a problem I've got some advice for

you
And if you ever fall
Don't worry baby I'll be there to catch you
Can your ego handle that?
So tell me baby if you're cool to be
With someone who's as real as me

Just call me supawoman
Cause there's nothing that I can't do
I'm looking for a man of steel and it might be you
Just call me supawoman
Are you ready for who I am?
I'm strong and undefeated and I'm looking for that
kind of man
Your supawoman.

I'll protect you,
Represent you,
Let's fly away.
Come with me,
I'm here to save the day.

Just call me supawoman
Cause there's nothing that I can't do
I'm looking for a man of steel and it might be you
Just call me supawoman
Are you ready for who I am?
I'm strong and undefeated and I'm looking for that
kind of man

Just call me supawoman
Cause there's nothing that I can't do
I'm looking for a man of steel and it might be you
Just call me supawoman
Are you ready for who I am?
I'm strong and undefeated and I'm looking for that
kind of man
Your supawoman.
