1 finger to the haters
2 fingers to the past
High five cause we made it
Yeah we made it
1 finger to the haters
2 fingers to the past
High five cause we made it
Yeah we made it

Ain't nobody bad
Mean michael jackson billie jean
And I'm smashing through the spleen
Cocaine I'm a feen yeah
She gets deeper than the ocean
We arrive and we cause a commotion
I'm alive and at awe at the notion
That we belong out in the open

And I don't care what devils around babe
No oh yeah yeah
Cause rain or shine I'm holding you down babe

Can't nobody do it like you
Like me
Can't nobody do it like us
Like we
No no
I don't give a damn what they do what they try
Cause ain't nobody...
And I know know
Baby
Can't nobody do it like

No secrets no lies
Truth is I'm busy all the time
You support any plan I devise
All your requests are kindly obliged
When I'm ready you be right there
With a hot plate and your high heels
It's a cold world when I'm lonely
You'll always be...
