You presume I'm weak  
Presume that I'm frail  
But your presumptions won't prevail  
I'm made of more than what you see

You tell me to twist  
You tell me to bend  
But I won't break  
Just to fit in  
Just shut your mouth and listen up

I was so naive to let you have control of me  
But now that I believe in me I know

You're wrong cause I'm strong unafraid  
I'm moving on  
Cause I'm free to be me  
Nobody tells me who to be

I'm on the outside  
I'm looking in  
No longer do I pretend  
To be something that I'm not

I don't run and I don't hide  
Behind a comforting disguise  
What you see is what you get

I was so naive to let you have control of me  
But now that I believe in me I know

You're wrong cause I'm strong unafraid  
I'm moving on  
Cause I'm free to be me  
Nobody tells me who to be

I wouldn't change a thing  
Cause life is how you grow  
You live, you learn and then you know
