A dream is a wish your heart makes
When you're fast asleep
In dreams you will lose your heartaches
Whatever you wish for, you keep

Have faith in your dreams and someday
Your rainbow will come smiling through
No matter how your heart is grieving, if you'll keep on
believing
The dream that you wish will come true

A dream is a wish your heart makes
When you're feeling small, yeah
Alone in the night you whisper
Thinking no one can hear you at all

You wake with the morning sunlight
To find fortune that is smiling on you
Don't let your heart be filled with sorrow, for all you
know tomorrow
The dream that you wish will come true, yeah

A dream is a wish your heart makes
When you're fast asleep
In dreams you will lose your heartaches
Whatever you wish for, you keep

You wake with the morning sunlight
To find fortune that is smiling on you
Don't let your heart be filled with sorrow, for all you
know tomorrow
The dream that you wish will come true
No matter your heart is grieving, if you'll keep on
believing
The dream that you wish will come true, ohh yeah,
come true
