"Over The Rainbow"

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops that's where you'll find me

Somewhere over, over the rainbow bluebirds fly
Birds can fly over, over the rainbow
Then why, then why can't I

If happy little bluebirds fly
Beyond the rainbow eye
Oh, why can't I
