You presume I'm weak
Presume that I'm frail
But your presumptions won't prevail
I'm made of more than what you see

You tell me to twist
You tell me to bend
But I won't break
Just to fit in
Just shut your mouth and listen up

I was so naive to let you have control of me
But now that I believe in me I know

You're wrong cause I'm strong unafraid
I'm moving on
Cause I'm free to be me
Nobody tells me who to be

I'm on the outside
I'm looking in
No longer do I pretend
To be something that I'm not

I don't run and I don't hide
Behind a comforting disguise
What you see is what you get

I was so naive to let you have control of me
But now that I believe in me I know

You're wrong cause I'm strong unafraid
I'm moving on
Cause I'm free to be me
Nobody tells me who to be

I wouldn't change a thing
Cause life is how you grow
You live, you learn and then you know
