Shake your derriere
Shake your derriere

(down, down, down, down, down, down, down, down)

[verse 1]

Put your camera phone on
ready to record set
bet i show you something
you ain't never seen before yet
Im'a bout to go
We'a bout to go

(down, down, down, down, down, down, down, down)

What im bout to do
might cause a little friction
I could start a fire right down
there in your kitchen
cushy bang bang
cushy-cushy bang bang
cushy bang
let me watch you

[chorus 1]

shake your derriere
Shake your derriere
Shake your derriere
let me see you move it
