Visit "[Glaciers](#)" on MotoLyrics.com

rain drops falling on my head
for all i know the clouds are rolling in again
and if i fall through the ice,
i need to know that you will lead me to the light

the glaciers fall, i still wont leave you
i need sound so i can see you
dont drop out coz i still need you,
need you, need you, need you

(instrumental)

rain drops falling on my head
for all i know the clouds are rolling in again
and if i fall through the ice,
i need to know that you will lead me to the light
the glaciers fall, i still wont leave you
i need sound so i can see you
dont drop out coz i still need you,
need you, need you, need you
the glaciers fall,
the glaciers fall,
i still need you, need you, need you

the glaciers fall,
the glaciers fall,
i still need you, need you, need you, need you
