You got game? In any speed, time engraves an  
unchanging rhythm  
Drive my heart! Because even if they're far apart,  
everyone is under the same sky

Ah, close your eyes, and feel the unseen wind on your  
fingertips  
Oh, everyone is carrying the song of their shapeless  
thoughts

Beginnings come from ends, repeating smiles and  
tears  
Let's rush out from here now, this moment will become  
eternity

You got game? In the surging speed, engrave the  
rhythm to tomorrow on your heart  
You got game? We can fly anywhere, so that the sky  
will be here  
You got game? In any speed, time engraves an  
unchanging rhythm  
Drive my heart! We can fly many times, because the  
blue sky will always be here

Ah, one grain of the seeds of a dream sketches a spiral  
and scatters  
Oh, how much longer must I sleep to become strong on  
my own?  
Suffering and sadness, the true form of my heart  
Now, take everything, and paint tomorrow brilliantly

You got game? Tomorrow will bring a new light, even to  
the places that my voice can't reach  
You got game? We can make the one flower in this  
wide world bloom  
You got game? In any speed, time engraves an  
unchanging rhythm  
Drive my heart! Because even if they're far apart,  
everyone is under the same sky

You got game? In the surging speed, engrave the  
rhythm to tomorrow on your heart

You got game? We can fly anywhere, so that the sky  
will be here  
You got game? In any speed, time engraves an  
unchanging rhythm  
Drive my heart! We can fly many times, because the  
blue sky will always be
