Rainclouds, moon shines
I know sun burns, stars earn shadows
Sing baby, brown eyes
You give me everything to try
I'm following gray skies
Gray skies lead me lost in the night

We'll dance till we're tired
Eat till we're full
With a guaranteed window
Over somewhere to go
My room needs no walls
To cushion the blow, let's go

Maybe you're right
Maybe I'm wrong
Climb till you're pacified
Fight till you're strong

We'll dance till we're tired
Eat till we're full
With a guaranteed window
Over somewhere to go
My room needs no walls
To cushion the blow, let's go

We'll talk till we're empty
Drink till we're blue
You can dare me to race you
You can pay me my dues
Your maybe's no answer
'Cause maybe it's you, let's go

Dance till we're tired
Eat till we're strong
We've a guaranteed window
And nothing can go wrong

We'll dance till we're tired
Eat till we're full
With a guaranteed window
Over somewhere to go

My room needs no walls
To cushion the blow, let's go

Drink till you fall
Guaranteed window
And no weakness at all
Dance till you're tired
