"Big Ol' Train"

I wish I was on a train,
Takin' me somewhere far away.
Where it's headed I don't care.
I could be happy anywhere.

On a big ol' train
Flyin' down the track
Rockin to the rhythm of the clickity clack.
Hey, engineer, make the whistle blow
Holler all aboard and away we go.

Grab me up like an ol' mail sack.
No return, I won't be back.
You can just take me either way
Long as it's into the light of day.

In a silver liner paradise,
I'll sit and watch the world go by,
Wavin' as I'm passin' through
And I won't stop until I do.
