Desert Train

I'm gonna chase you down
Makes no difference
Where your bound
I'm gonna ride
Rockin the coals still under the desert train

Desert Train

You gotta voice like thunder
You gotta a song makes me
Have to wonder
What it's like
I fly like a bat out of hell on a desert train

Gone like a ghost standing in the shadows
Gone like a tumbleweed when the wind blows
Gone like the souls who vanish from the plain
Gone like the dreams of days gone by
Gone like a stream of boxcars flying
Gone in the belly of a whale on the desert train

Came out here
Washed my hands
Cleansed my sins
Ancient sins
How could I
There's no place out here to hide my sorrow

Desert train

A lot like you
On my own
Passing through
This place
Take me through the duststorms of tomorrow

And I'll be ...

Gone like a ghost standing in the shadows
Gone like a tumbleweed when the wind blows
Gone like the souls who vanish from the plain
Gone like the dreams of days gone by
Gone like a stream of boxcars flying
Gone in the belly of a whale on the desert train

Gone like a ghost standing in the shadows
Gone like a tumbleweed when the wind blows
Gone like the souls who vanish from the plain
Gone like the dreams of days gone by
Gone like a stream of boxcars flying
Gone in the belly of a whale on the desert train

Gone like a ghost standing in the shadows
Gone like a tumbleweed when the wind blows
Gone like the souls who vanish from the plain
Gone like the dreams of days gone by
Gone like a stream of boxcars flying
Gone in the belly of a whale on the desert train
