January, february, march, april
May i have this dance
June, july, august, september, october
Give me just one chance
November my poor sweet victim of circumstance
December may find you lost in this romance
One, two, three, four
Five days in he cried
Give me a little a little please give me
Just a little more time
November, my poor sweet victim of circumstance
December may find you lost in this romance
Lah, lah, lah, lah lah, lah lah, lah, lah lah,lah
November, my poor sweet victim of circumstance
December may find you lost in this romance
January, february, march, april,
My how time does fly
June, july, august, september, october
And sweet november
