I didn't lie to nobody
I don't want to be lied to
I didn't hurt nobody
So don't hurt me
I didn't cheat nobody
I don't want to be cheated
I didn't make this trouble
So just let me be
And i won't make excuses
I don't need an alibi
I'm just an innocent passerby
Just a witness to the crime
I don't want to preach
I don't want to be preached at
I don't want to save nobody
I don't want to be saved
I don't want to curse
I don't want to be damned
I don't want to scare nobody
Cause i am not afraid
And i won't make excuses
I don't need an alibi
I'm just an innocent passerby
Just a witness to the crime
I never had a slave
I don't want to be a slave
I'm not gonna judge
I don't want to be judged
Nodody 's trying to kill me
So i don't want to kill
I just want to love
And be loved
