CHORUS: Together we stand

Divided we fall

Right there America it says it all END OF CHORUS

Here we are a nation

Here there is no indepentation-nation

Here in this nation we have a new president

The White House has a new resident

But no matter who leads us

And no matter if you don't

Other countries might lose freedom

But I know that we won't

CHORUS

Together we stand... yeah yeah yeah together_____
we_____stand
