You're a part time lover and a full time friend
The monkey on you're back is the latest trend
I don't see what anyone can see, in anyone else
But you

I kiss you on the brain in the shadow of a train
I kiss you all starry eyed, my body's swinging from side to side
I don't see what anyone can see, in anyone else
But you

Here is the church and here is the steeple
We sure are cute for two ugly people
I don't see what anyone can see, in anyone else
But you

The pebbles forgive me, the trees forgive me
So why can't, you forgive me?
I don't see what anyone can see, in anyone else
But you

I will find my nitch in your car
With my mp3 DVD rumple-packed guitar
I don't see what anyone can see, in anyone else
But you

Up up down down left right left right B A start
Just because we use cheats doesn't mean we're not smart
I don't see what anyone can see, in anyone else
But you

You are always trying to keep it real
I'm in love with how you feel
I don't see what anyone can see, in anyone else
But you

We both have shiny happy fits of rage

You want more fans, I want more stage
I don't see what anyone can see, in anyone else
But you

Don Quixote was a steel driving man
My name is Adam I'm your biggest fan
I don't see what anyone can see, in anyone else
But you

Squinched up your face and did a dance
You shook a little turd out of the bottom of your pants
I don't see what anyone can see, in anyone else
But you
