...testing...testing...

Bobby O, Bobby O, skinny younger brother of Fabio...  
Rode his horse down in Mexico...ooooo...Bobby O

His horse's name was rambo, but rambo was really  
slow  
(how slow was he?) he didn't go...ooooo...Bobby O

Got a job in a hotel in mexico, teaching water aerobics  
in a sombrero  
All the old lady sure thought he was a pro, doing  
jumping jacks in his pink speedo...ooooo...Bobby O

He did something naughty what it was we'll never  
know, but the hotel owner said "man, you gotta go..."  
Take your bathing suit and don't forget  
rambo.....oooooo...Bobby O

Bobby O, Bobby O, skinny younger brother of Fabio...  
Rode his horse down in Mexico...ooooo...Bobby O
