thick shakes little snakes  
fashion accessories earthquakes  
five and dime cherry lime  
wait my turn at the back of the line  
barbed wire forest fire  
muddy trail air in my tires  
downhill's faster much faster  
than uphill no time to kill  
take a chill take a pill  
headrest on the windowsill

i lived alone so i took him home  
he doesn't love me but he keeps me company  
everything is alright

grape soda locked door  
lost shoe satin star  
pink ribbon cellophane  
boxing match football game  
kitchen floor reggie bar  
monster mash corned beef hash  
a-ha saxophone  
5'3" dial tone  
lips parched sousa march  
flat foot no arch

i lived alone so i took him home  
he doesn't love me but he keeps me company  
everything is alright

why do i always pretend i can spoon a guy and still be  
his friend?  
i always wind up crushed out in the end and it makes  
me crazy  
whoa - whoa - whoa crazy  
whoa - whoa- whoa

dolly parton was really smart when  
she said  
"it's not my head that's broken it's my heart-  
daddy come and get me"  
come and get your baby

your big crybaby  
is going crazy

why do i always pretend i can spoon a guy and still be  
his friend?  
i always wind up crushed out in the end
