No pressure, lesser each day
Ain't gotta take it
And no catch up, set my own pace
Can't even feel the fear now
Closer to the end now do what I feel, yeah
Feels closer grip almost gone
I'm feeling looser
So tired of trying to hold on
It's looking crystal clear now
Borderline is near now
I can just breathe, yeah, yeah
I'm headed for the brink of insanity
And I, I hope to get there soon
I'm tired of being sane in this world now
There's too much to be consumed
I'm headed for the brink of insanity
I can see the door not far ahead
I hope that they sedate me and give me a rest
I don't know if I'll be back home, I kinda like it
I been caught up in life, work too long
I kinda like the idea, I can't even feel here
I can just be, yeah
Ignore me if I seem insane, cause I
I'm so happy life ain't where I am

I'm headed for a world too deep for the to get to
Set myself free, yeah, yeah, yeah
I'm headed for the brink of insanity
And I, I hope to get there soon
I'm tired of being sane in this world now
There's too much to be consumed
I'm headed for the brink of insanity
I can see the door not far ahead
I hope they sedate me and give me a rest
I'm headed for the brink (brink)
(When I get up) hope to get there soon
I'm tired of being sane (sane)
(Much to be consumed) oh
Headed for the brink (brink) of insanity
(Door not far ahead) oh
(Give me a rest)
I'm headed for the brink of insanity

And I, I hope to get there soon
I'm tired of being sane in this world now
I'm much to be consumed
I'm headed for the brink of insanity
I can see the door no
