Look at me
I've become unpredictable
U don't know what I'll do next
I know it fucks with you cause
U know me
Easy to please
By your side perfectly kept in line
Well, I'm tired
(I) underestimate (oh, no, I'm not) me
I'm nothing (oh, no, I'm on) I'm really useless
(I'm not that, no, no, no)
Oh, U don't know me
Or my situation
My heart
Or what things I got, no indeed
So, what you see
Ain't so predictable
I show what I want you to see
Uppity, who me?
Cause now I'm speaking my thoughts
No longer secrets
You see me thinking, oh, but that can't be
Don't be too proud
I can't live too loud
Kiss your ass and kowtow
(I'm not) underestimate (oh, no, I'm not) me

I'm nothing (oh, no, I'm on) I'm really useless
(I'm not that, no, no, no)
Oh, U don't know me
Or my situation
My heart
Or what things I got, no indeed
So, what you see
Ain't so predictable
I show what I want you to see
Quietly, I do succeed
I'm not less cause you don't see
So much more than what you think, yeah, yeah
U don't know me
Or my situation
My heart

Or what things I got, no indeed
So, what you see
Ain't so predictable
I show what I want you to see
U don't know me
Or my situation
My heart
Or what things I got, no indeed
So, what you see
Ain't so predictable
I show what I want you to see
