you said, "be careful, it's delicate  
things can just crumble apart."  
but it's not the same for me  
it's not the same for me

so i kept treading so carelessly  
thin lines that splintered my ground  
but i closed my eyes to them  
i closed my eyes to them

how did you know that i couldn't be what everyone  
wanted me to be  
and how did you know that i wouldn't see when  
everything falls away from me  
when everything falls away from me

one day i woke in the rubble  
knee-deep in damage i'd done

and i was ashamed of it  
how did it come to this?

how did you know that i couldn't be what everyone  
wanted me to be  
and how did you know that i wouldn't see when  
everything falls away from me  
when everything falls away from me

how did you know that i couldn't be what everyone  
wanted me to be  
and how did you know that i wouldn't see when  
everything falls away from me  
when everything falls away from me  
when everything falls away from me
