Hush Now, Let's Go Quiet To The Park
Where it first started
Cold Night, Us Lying In The Dark
I Felt My Heart Was Trying
To Find A Place For You To Stay
A Place Where I'd Feel Safe

Anything we have known
Anything We've Forgotten
In The Rain, In The Dark We'll Lay
In Your Arms, In Your Arms I'll Stay

Anything we have known
Anything We've Forgotten
In The Rain, In The Dark We'll Lay
In Your Arms, In Your Arms I'll Stay

Take My Hand, Let's Go Into The Trees
Behind The Branches, Falling On Our Knees
I Remember Feeling Like This
Part Of Us Would Never Change

Anything we have known
Anything We've Forgotten
In The Rain, In The Dark We'll Lay
In Your Arms, In Your Arms I'll Stay

Anything we have known
Anything We've Forgotten
In The Rain, In The Dark We'll Lay
In Your Arms, In Your Arms I'll Stay

Follow Me
We Both Now The Way
It's Always Been The Same

Anything we have known
Anything We've Forgotten
In The Rain, In The Dark We'll Lay
In Your Arms, In Your Arms I'll Stay

Anything we have known

Anything We've Forgotten
In The Rain, In The Dark We'll Lay
In Your Arms, In Your Arms I'll Stay

In Your Arms I'll Stay
In Your Arms I'll Stay
In Your Arms I'll Stay
In Your Arms I'll Stay
