Wish I couldn't come
Wish I would and then I'd crawl to the morning sun
Wish I'd never never come so far and then I stopped
And if I could not and if I fall down
Would I fall down?
Would we fall down?

CHORUS:

We liked to say
We would never come undone
Breathe it in, breathe out
Can you breathe?
I know I cannot now

Wish I hadn't spoke
Wish I did, but I made sense or I did not care
Wish we'd never never grown so close that we could
fall, fallen apart, and if it was lost
Would I be lost?
Would we be lost?

CHORUS

Many nights I've spent replaying the day
Would you listen to what I have to tell you now you're
gone
And I'm missing it

CHORUS
