Hello darkness, my old friend  
I've come to talk with you again  
Because a vision softly creeping  
Left its seeds while I was sleeping  
And the vision  
That was planted in my brain  
Still remains  
Within the sound of silence  
In restless dreams I walked alone  
Narrow streets of cobblestone  
'Neath the halo of a street lamp  
Turned my collar to the cold and damned  
When my eyes were stabbed  
By the flash of a neon light  
Split the night  
And touched the sound of silence

Fools said I do not know  
Silence like a cancer grows  
Hear my words that I might teach you  
Take my arms that I might reach you  
But my words  
Like silent raindrops fell  
And echoed  
In the wells of silence

Within the sound of silence
