[Chorus]

I will be the one you say goodnight to  
I will be the one you say goodnight to

[Verse One]

Let me first say that you're so charming  
Don't you think that you could use someone to charm  
I will sit back, I will laugh, I will laugh again, oh oh  
And maybe you'd like someone to greet you  
At the door after a long long day  
I'm here for you, if you let me

[Chorus]

I will be the one you say goodnight to  
I will be the one you say goodnight to

[Verse Two]

Funny thing is I'm trying hard and  
It's unlike me to get so caught up in things  
But I won't quit I won't quit till you smile to me oh oh oh  
And I just cry if you don't stop to say hello  
It hurts the longer this goes  
I'd cry for you, if you let me

[Chorus]

I will be the one you say goodnight to  
I will be the one you say goodnight to

[Bridge]

Oh oh oh, if you let me  
Oh oh oh, if you let me  
Oh oh oh, if you let me  
Oh oh, oh oh, oh oh

[Chorus]

I will be the one you say goodnight to  
I will be the one you say goodnight to  
I will be the one you say goodnight to  
I will be the one you say goodnight to
