Here i am, sitting here alone at night
Without someone.. someone who just could hold me
tight
And i can't sleep, and there's no use to dry the tears in
mye eyes..

You made me laugh, but suddenly you made me cry
That's not the way our lovestory supposed to die..
So where are you I need you here to love me, love me
again..

CHORUS

*Helpless.. i feel so helpless..
Boy i'm helpless like a child, all you do is make me cry
Now i don't know what to do to get over you..*

Remember things we used to do when we were one,
I Reminise sometimes before you were gone.
But now it seemes, to you those days were nothing but
a game you played..
So hear my cry.. hear it as it rides the wind..

Back to your heart, where all my lvoe used to be
So where are you? I need you here to love me, love me
again..

CHORUS

*Helpless.. i feel so helpless..
Boy i'm helpless like a child, all you do is make me cry
Now i don't know what to do to get over you
Helpless, i feel so helpless..
Cause this love you got me in, simply driving me
insane
Now i don't know what to do to get over you..*

Lalala..
You hurt me all the time...
Angels from above, just hear my cry
There's no use to dry the tears in my eyes..
Like a fairytale, now it could have come true
..

true.. me and you..

CHORUS
