STARS

by Kindred the family soul

[verse 1]

So many times,
You could have walked away
But I didn' t have to say a word
To conminse you to stay
Cause you know it and I know it this thing is real
So we continue to learn
And our love grow deeper still
Each day, I watch you get better at this
Each moment I am more and more convinced
We trusted in love
We tooked the wings
We ran our own pace
We won our race
I could never turn away

[Corus]

We come (we come)
So far (so far)
Stars do come true baby (baby, baby)
My heart (my heart)
Belongs (belongs)
Right here next to you baby (you baby)
Yeah, yeah

[verse]

If I had just one wish
It would be to stay together
Stay together, lets roll together
Its not much to ask of us
I know we can do it
I've always knew it
Always look at me the way you do today
Treat me like a friend
Listen to what I say
Cause girl I put you, lift you up (baby)
All the way

But I could never turn away

[Chorus]

[Bridge]

Aways stay with me
say it when you do today
Teat me like a friend
Lsten to what I say
Say it
Oh yeah
Oh no no no no
I could never turn away

[Chorus until it fades]
