A look, a touch, a spark, a flame
My heart is weak, I call your name
In my sleep
A dream, a kiss that lingers on
A song, a sound all around inside of me
Will I ever be free.

Love is calling, fear of falling.

Imprisoned by a memory
Another time, a place, a face you cannot see
Following me
Coz love is like a shot in the dark
A game of chance that just might break your heart.

Oh, love is calling, fear of falling
Love is calling, fear of falling.

Love is blind, but I can see
I try to run, I can't get free
Afraid to love, afraid to fly
On a wing and a prayer, I get so high
With you baby, with you baby, oh oh.

Love is calling, fear of falling
Love is blind, but I can see
I try to run, I can't get free
Love is calling, fear of falling
Afraid to love, afraid to fly
On a wing and a prayer, I get so high
Love is calling, fear of falling.
