Intro:

Ooh, yeah yeah

Baby I'm ready,

Don't you know that I'm ready this time

After all of the hard work

And all of the things I sacrificed

Now I finally know my worth

The whole of me it has no price

I thought I'd never make it this far

I underestimated myself

And though my life has truly been hard

Now I know the greatness of my wealth

I'm rich in love (ooh yeah yes in love)

I'm rich in peace (i'm rich in peace)

I'm rich in hope yeah (hope yeah)

I'm rich indeed (ooh ooh ooh)

CHORUS:

I'm ready (I'm ready)

This is My Time (my time)

All that I'd hoped for is mine

It's mine, it's mine

(repeat)

See I can have anything

See I can do anything if I believe

I've learned what you want you have to start first

You can't just sit back and wait on anyone

You've got to put your best foot forward

Have faith and take action

'Cause you never know where that road may lead

You can't be afraid to take that chance

You've got to sow and plant your seed

Adapting to any circumstance

I'm rich in love (said i'm rich in love)

I'm rich in peace

I'm rich in hope yeah (so much hope)

I'm rich indeed

Repeat Chorus 2x

You'll know when that moment comes
And childish things are put aside
When you've learned to embrace your true self
And you really begin to live your life...
(When you begin to live your life you'll see...
Just how ready you are....)

Repeat Chorus till fade
