Chorus

We is a beautiful thing you and me is a beautiful thing

Verse

Even struggle is beautiful thing to rise above

When your in love, inside love

His love, her love God loves self love

A child? s love, a peoples love

? Cause then the struggle isn? t so empty

For with life not just strife

Chorus 2x

We is a beautiful thing you and me is a beautiful thing

Verse

Around the sun the earth revolves

And even if we don? t evolve

Don? t change

The Universe still rearrange itself

The Universe still rearrange itself

No help from human hands

Just natural plan it? s a beautiful thing

I't a beautiful thing

Chorus 2x

We is a beautiful thing you and me is a beautiful thing

Verse

In times of fear and uncertainly

We be the word to speak

We the comfort to seek

We be that goal to reach

Some soul to keep

So we together know there? s always

More wonderful than woe

More wonderful than woe

Chorus(Til Faded)

We is a beautiful thing you and me is a beautiful thing
