Thoughts of sex and fashion
This is our emotion
TV, work and drinking
Ill, then dying, then dead

This is our emotion
Conveyorbelt destruction
This is our emotion
Conveyorbelt destruction

Keep your gold and Hollywood
Victims and distortions
Marriage, dreams and regrets
Ill, then dying, then dead

This is our emotion
Conveyorbelt destruction
This is our emotion
Conveyorbelt destruction

This is our emotion
Conveyorbelt destruction
This is our emotion
Conveyorbelt destruction
