My tears won't resurrect you-and I know that  
This is my last offer to you but you don't deserve it  
Your tombstone seems to be untainted-so ironic  
'Cause you were as filthy as a gutter  
No human soul inside you when you were among us  
A sea of immorality has flooded up your mind

You tried to build me in your image, coarse and  
disgraceful  
And I'm still wondering how have you succeeded

[Chorus]

Father, let this dirt that covers you to be cursed  
Let your sinful heritage never let you rest  
Free and pure was my paragon for living  
The sense you scorched - teaching me your doctrines  
for life

Your only goal creating victimizers -I'm but one of them  
Making us walk your path  
Making us believe that's the way to succeed

I wish I could turn back time  
I wish I could overturn all your accomplished tasks  
I know now, this is impossible  
Your speckle on me now never fades  
Even your death can't erase it

I'll curse you till I die
