I want your heart shaped lips,lips
Cooler hula hips,
I want to feel my bones on your bones, baby,
I wear my heartache on my sleeve,
I love myself to much to see...

It haunts my dreams...

(It haunts my every dream) When every boy wants a
body to die for,
And every girl who's thin is his rival,
I wish I had a body to die for,
Skinny is sexy,
Big isn't beautiful.

I'm gonna she'd me some skin,
Get me real real slim,
I want to feels my bones on your bones,
I am a teenage Drama Queen,
I throw my guts up for self-esteem...

It haunts my dreams...

(It haunts my every dream)

When every boy wants a body to die for,
And every girls who's thin is his rival,
I wish I had a body to die for,
Skinny is sexy,
Big isn't beautiful.

Ooh, ohh ohh...

Every boy wants a body to die for,
And every girl who's thin is his rival,
I wish I had a body to die for...
Skinny is sexy,
Sweet anorexia!
Skinny is sexy,
Big isn't beautiful!
