That's what my heart yearns for now  
Love and pride  
That's what my heart yearns for now  
Love and pride

Start your journey early  
Or maybe later  
Get your boots on  
Look for rainbows  
It's cloudy  
Take your hairdryer  
Blow them all away

In you I've found a story  
I want to keep hearing  
In you I see all colours  
Not just black or white  
In you I find a reason  
And hope for all dreamers

You are my fill  
You're my supply of love and pride  
That's what my heart yearns for now  
Love and pride

Knowing, sensing  
Seeing, eating  
Sleeping that's just being  
Touching, testing  
Loving, wanting and taking

More love and more pride  
In you I've found a story  
I want to keep hearing

I'm taking it 'round the world  
Some love and pride  
That's what my heart yearns for now  
Love and pride  
That's what my heart yearns for now  
Love and pride
