Can I wear you like an animal?

Can I scare you into anything?

Love so volatile, love so volatile

Love so volatile

Can I buy you, are you available?

Can I tie you onto anything?

Love so volatile, love so volatile

Love so volatile

Yeah

Love is blue, love is black, love is leather honey

Loving you is always physical

Loving you, love is gone, love with all your money

Love is blue, love is black

Love is blue, love is black, love is volatile

You can burn me with your cigarettes

You can turn me onto anything

Love so volatile, love so volatile

Love so volatile

Yeah

Love is blue, love is black, love is leather honey

Loving you is always physical

Loving you, love is gone, love with all your money

Love is blue, love is black

Love is blue, love is black, love is volatile

Love so volatile, love so volatile

Love so volatile

Love is blue, love is black, love is leather honey

Loving you is always physical

Loving you, love is gone, love with all your money

Love is blue, love is black

Love is blue, love is black, love is volatile

Does it scare you?
