Kiss kiss, hold me higher
Kiss kiss, but hold your fire
All my love was my loins desire
Oh to be, holding your fire

Love, put your silver tongue in my
Love, put your silver tongue in my
Love, put your silver tongue in my
Fire, put your silver tongue in my fire

Shake shake, with a whores desire
Shake shake, but hold your fire
All my love was my loins desire
Oh to be, holding your fire

Love, put your silver tongue in my
Love, put your silver tongue in my
Love, put your silver tongue in my
Fire, put your silver tongue in my fire

Love, put your silver tongue in my
Love, put your silver tongue in my
Love, put your silver tongue in my
Love, put your silver silver
Love, put your silver tongue in my
Love, put your silver tongue in my
Love, put your silver tongue in my
