Hey Judy, get1 Judy
Ya said to call you up and I was feelin' moody
Hey little Donna, ah still wanna
Ya said to ring ya up when I was in Toronto

I have lots of friends that I can hang at anytime
In moments have some laughs with just one call
Like a bunch of lunatics with action way that's done
Sure we'll be rockin' till our strength is gone
Yeah, this beat goes on

And on, and on, and on

Hey lady, ooh you crazy
Well, me and Zero request you in the Mercedes
I met my ride, so zoom me inside
The skies the limit this time I'm switchin' to glide

I don't give a hoot about what people have to say
I'm laughin' as I'm analyzed
Lunatics anonymous that's where I belong
Sure cause I am one till my strength is gone
Yeah, this beat goes on

And on, and on, and on

I have lots of friends that I can hang at anytime
In moments have some laughs with just one call
Like a bunch of lunatics with action way that's done
Sure we'll be rockin' till our strength is gone
Yeah, this beat goes on

This beat goes on, this beat goes on
This beat goes on, this beat goes on
This beat goes on, this beat goes on
(Repeat)

THIS BEAT GOES.....

Nothin' matters but the weekend
From a Tuesday point of veiw

Like a kettle in the kitchen
I feel the steam begin to brew

Switchin' to glide, switchin' to glide
Switchin' to glide, switchin' to glide

Energy can be directed, I'm turnin' it up and turnin' it
down
Even love can be effected, harmony is the sweetest
sound

Switchin' to glide, switchin' to glide
Switchin' to glide, switchin' to glide

Bal
