9, 9" inches of pure, pure malice
I got 9, 9" of pure, pure malice
I got 9, 9" of pure, pure malice
Go and tear yourself another hole
It's gonna make you go wow
It's gonna make you go wow
It's gonna make you go wow
Tear yourself another hole

9, 9" inches of pure, pure malice
I got 9, 9" of pure, pure malice
I got 9, 9" of pure, pure malice
Go and tear yourself another hole
It's gonna make you go wow
It's gonna make you go wow
It's gonna make you go wow
Tear yourself another hole

la la la la, la la la la
la la la la, la la la la
la la la la, la la la la
la la la la, la la la la

Wow
It's gonna make you go wow
It's gonna make you go wow
oh, oh, oh, it's gonna make you go wow
It's gonna make you go wow
It's gonna make you go wow
oh oh oh oh oh oh oh oh
