Toss me turn me it's up to you
The stars that bring me could almost kill me
Kiss me trip me baby you know it's true
Sleep disarms me, and no-one harms me
Comfortable comfortable it's what you are
Comfortable comfortable it's what you are
You hold me and it feels like your arms
The way you escape me takes till takes me
Don't want you to go, don't leave me all alone
Don't want you to go, don't leave me all alone
Toss me turn me it's up to you
The stars that bring me could almost kill me
chorus
Don't want you to go so don't leave me all alone
ahhhhhooooohhhh
