Kiss kiss, hold me higher  
Kiss kiss, but hold your fire  
All my love was my loins desire  
Oh to be, holding your fire

Love, put your silver tongue in my  
Love, put your silver tongue in my  
Love, put your silver tongue in my  
Fire, put your silver tongue in my fire

Shake shake, with a whores desire  
Shake shake, but hold your fire  
All my love was my loins desire  
Oh to be, holding your fire

Love, put your silver tongue in my  
Love, put your silver tongue in my  
Love, put your silver tongue in my  
Fire, put your silver tongue in my fire

Love, put your silver tongue in my  
Love, put your silver tongue in my  
Love, put your silver tongue in my  
Love, put your silver silver  
Love, put your silver tongue in my  
Love, put your silver tongue in my  
Love, put your silver tongue in my  
Fire, put your silver tongue in my fire
