Imma flirt
She lookin like my
Future in a skirt
Do it, I did it,
When you see it you already know
Hit the merrygoin,
Twist my body as I take it slow
Get low (get low),
Uh, ah, Walk wit it now [repeat]
Young Face slangin, Ya Ya Ya
Heavyweight, Got a bad bitch in every state
On the grind, nonstop till I touch
This cake

Mark ass niggas, stay the fuck up out my way
I be true O.G., you can quote what I say
I'm a H-town nigga from around the way
Southside, ridin' dirty like I'm UGK
Asshole by nature like my name was Tre
And I don't gangbang, I control the Game
What I'm representin' here's puttin' holes in brains
Oh, I say the same thing till I'm old and grey
For I falloff and rap about my clothes and chains
Grippin' grain and poppin' trunks, Dawg that ain't me
These elbows hit the scene back in '83
I stay street with it, dun asked that
You can find me in your hood pumpin' monster crack
I rollover rodents with rims on em
Sniffing out a rat, I expose them and then bend on em
I lotta bitches but they claiming they O.G.s
A straight up pussy, he claims he knows me
See I puttin out these Weeds
Let my shit hit the streets, he got to sit down to pee
Got them eggs on these beams, so they watchin' me
Might trap for a rat, pussy watch and see her tities flop
and all ya talkin bout is, is, is dat pussy gump (yep) dat
pussy gump (what)
Shawty I want dat pussy gump (u-huh)
Pussy gump (yeaaa)

Grippin' grain and poppin' trunks, nigga that ain't me

homie that's ya mom I stay street with it, dun asked
that
You can find me in your hood pumpin' pussy monster
crack
I rollover rodents with rims on em
Sniffing out a rat, I expose them and then bend on em
I lotta bitches but they claiming they O.G.s
A straight up pussy, he claims he knows me They kissin
and huggin

Hello
I could play with it, I could beat it up
Yup, beat it up, get ya pussy lip bust
Wait
She said she wanna know how pussy taste
She wanna suck dick while she get her pussy ate
(Ha)
Movies, message, menage, bedroom, bathroom,
garage, goodbye
Just leave me be, and it was just us three, two bitches
and me
Niggas and pussy crackers
Cuz she wanna suck my dick
While she get pussy ate

Cuz all dat pussy gump gone
To lil shawty head back dat
Ass up cuz met in her
In da bed cuz all dat pussy
Gump (what) dat pussy gump
(u-huh) And we're not gonna stop just because
The feds and the cops are watching us
See we don't give a damn wat they said

We do wat we want to
Young money mu'thafucka
Got them hoes watching us
I say my niggas high
I like to fuck
And I can look dead in her face
And see that she wants to
Suprise for dat pussy gump
(yep) pussy gump (u-huh)
