Almost Lost My Mind

As performed by Albert King

When I lost my baby I almost lost my mind

When I lost my baby I almost lost my mind

My eyes was full of tears

Since she left me behind

I pass a million people; I can't tell who I meet

I pass a million people; I can't tell who I meet

My eyes are full of tears

Where can my baby be?

[guitar solo]

I went to see a gypsy to get my fortune read

I went to see a gypsy to have my fortune read

My head hung in sorrow

When she said what she said

When I lost my baby I almost lost my mind

[repeat to fade]
