(King Arut)

Now these niggas better move when the G'z comin

Never be afraid to shoot when you see them near you
All fellas in my crew ain't no tellin in my crew
Choppa city grand hustla is what they yellin in my crew
I'm a veteran in the crew livin legend in the crew
I keep that desert eagle lethal weapon plus two
We gon beef what it do
And you know that I'm a ride
We can do it right here or we can take it outside
Every day is homicide couple of bodies every night
We got half the population murder rate still rise
Ay bullets still fly write his name on the wall
I ain't even gotta do it I got goons on call
I'm a beast I'm a dog you a bitch you a fraud

I'm a ride I'm a G you a snitch you a fraud
If you want it you can get it hit him all up in his neck
And his head and his chest make sure that nigga wet

But I'm still keepin it 100% Hustla
