I'm Blessed Everyday Fa Ma Sake
Bury Me A Christian Cause That's What I Live
Don't Cry For Me I Gave The Best I Could Give
I Can Only Do Me, So That's What I Did
And I Cherish Every Breath Of My Kid
And I Don't Wanna Go Before She Grow, That Ain't Cool
But In This Game Of Life I Don't Make The Rules
Shit, So That's Why I Get Twisted
So I Can't Feel It When It Hits Me
And My Moms Don't Need That On Her
But I See Death Around The Corner
And If He, So Happens To Make His Way Around The
Block
You Gotta Answer The Door When He Knock
Believe That I'm Blessed Everyday Fa Ma Sake
Doin EveryThing Every Christian Way

Before I Sleep I Pray To The Lord
A Soul To Keep
And If I Should Die
Before I Wake
I Pray To The Lord
My Soul To Take
For Goodness Sake
Yeah And Everytime I See The Sunshine
I Drop Down And Give Thanks At Least One Time
Feellin Like I'm Living On The Front Line
I'm Feeling Like Every Second Is Crunch Time
I've Had Breakfast, Will I Make It To Lunchtime?
And I Ain't Joking, So Don't Be Looking For Punchlines
Will I Be The Next Victim Of A Gun Crime
I Don't Know The Answer, That's Why I Brung Mine
Riding By Myself Late At Night
Pistol On My Lap At Every Single Red Light
Yeah I Made My Bed Right, So When I Do I Should Sleep
Tight
In Peace I Rest
