Cu-Cuz I'm The Hottest
Under The Sun (yea)
Take Flight Shawty Off The Worry
Is Done Cu-Cuz Cu I'm
The Hottest Under The Sun
Take Flight Shawty Off The Worry Is Done
(yeaaa) Cu-Cuz I'm The Hottest
Under The Sun Take Flight Shawty Off
The Worry Is Done (oh yea)
Cuz With My Pistol In My Pocket... Hidden Right Under
My Jacket
Yah They Said Opposites Attract... So Here She Is
With The Master And A Bachelor...
Ay Baby You Saved My Life...
Now All I Gotta Say Is
Take Flight Shawty I'm The
Hottest Under The Sun
Jus Take Flight Shawty
All The Worry Is Done Shawty
Jus Take Flight Shawty
Urkkkkk... Hold Up...

And Just The Otha Day
My Nigga Chris Killed His Self
I Pray To God That I Never
Feel Tha Way He Felt
Where Do We Go When there's No Help
He Figured Heaven So He Went Left
Ya'll Know That Aint Right
Plus He Was High As A Plane That Same Night
Shit He Jus Wouldn't Pray So He
Went To Take Flight
Shit I Probably Had That Same Flight
I Just Kept Swingin Cuz Holmes
I Den Found My Swagg Now Take
Flight Shawty I'm Da Hottest Under
Da Sun don't Worry Shawty
All Worries Are Done

Buck forty on a ring that I don't really wear
But I bet it light up the night like the city fair
Dis shit ain't fair, I didn't have to go der

But all this ice got me feelin' like a polar bear
I'm so aware, I'm so prepared, I'm so fly I will take off
into the open air
Lift off, Cristal, please, crackers with cheese
Nigga please, we on JETs like Curtis Martin and whitley
green
I'm... lightin', lightin', light the thing, light the thing, no
Reggie man

So Take Flight (chuckles) 1, 2 on da way to 3rd Look up
baby, they write my name in the sky bitch
Don't forget the baby is what I tell her probably
Don't forget the liquor store is what I tell the driver
Twenty dutch masters and straight level vodka
I can pedal backwards and still move forward
Look under the mattress, you might find four of 'em
lookin backwards

Soooo Shawty Take Flight
