(Piriri pirara)
Que bueno que esta
Esto va a empezar
Me no get backshot
Finalmente lleg
La buena vibra a mi camino
Felicidad, quien lo iba a creer
Vamos a celebrar
Vamos a amanecer
Quiero a Guadalupe agradacer
Esto es un milagro
Siento renacer
Asi que, leave your worries behind
with the family forward hand by hand
Yo, watch me
Hanging with the crew
Gladly Disco-Latin-Rub-a-dub
Madly but sadly
I have to inform you
Of all this injustice
That is happening all around the world
Lately, correct me if I'm wrong
But we have to get strong
To smash down
Bomba clot Babylon
Finalmente lleg
La sabrosura de King Chang
Y yo le canto a toda mi gente
Y te lo digo a ti
Y te lo canto a ti
Pa ra re re rah... pa
Hold down operator Seen
Who Jah blessed
No man can curse
Right!
A mi Guadalupe
Quiero agradacer
Esto es un milagro siento renacer
Asi que leave
your worries behind
with the family forward hand by hand
Me sing a boom boom it's true

Me sing a boom boom...
Brand new destiny
A galon!
I
