Un, deux, trois, cha cha cha

Piripipon, que rico son, Piripipon, oh yeah!

Oye niÑ±a bella ponte a gozar  
oye niÑ±a bella baila el cha cha cha!  
listen to me babe, listen to my song  
I want to dance the cha cha with you all night long

Piripipon, que rico son, Piripipon, oh yeah!

oye niÑ±a bella ponte a gozar...

avanti bambina, io sono innamorato di te  
la ragazza...

Y Chang dice...

oye niÑ±a bella ponte a gozar...

in a melting pot, listen to mi rhythm...

babe do it, rub it to me babe

bella ragazza, bella bambina
