Have you ever seen your strangled little wishes blowing
by
Decisions never reconcile with scenes you've
memorized
Kept at home intention really has a tendency
To keep you waiting for tomorrow
You should have left those giant steps
Have you ever seen disgrace turned self-fulfilling
prophecy

Have you ever watched the sinking sun disappear into
the sea
All along you made a virtue out of reticence
It keeps you waiting for tomorrow
You should have left those giant steps
It keeps you waiting for tomorrow
